Town of Smithtown 2017 Refuse/Recycling Calendar

www.smithtownny.gov

Use color-coded map on back to determine your garbage
district number, pick-up days, carter and carter's telephone number.

Please save this calendar to refer to during the year.

TOWN OF SMITHTOWN

PATRICK R. VECCHIO
TOWN SUPERVISOR

December 2016

A Note from Town Supervisor Pat Vecchio

Attached is our new Refuse / Recycling Calendar. With our **Single Stream Recycling Program** you do not have to separate your recyclables into paper products for collection one week, and bottles and cans the next. All of your recyclables can be mixed together and put out every Wednesday. In addition, compared to only a few years ago, there are many more items that can now be recycled. These changes, detailed in the attached calendar, make it easier than ever to recycle. That's good for us all! Recycling is good for our environment and saves money.

The calendar also provides useful information about such things as the proper disposal of old paint, computers, TV's, furniture, appliances and expired prescription drugs. There's even a section on how you can obtain free bagged mulch! **Of particular note are our no-charge household hazardous waste collection events on April 29th and October 14th.** Improperly disposed of household chemicals threaten our environment and the health of our families and friends. Thousands of people have found past events an easy way to safely clean out unwanted chemicals from our garages and basements. Please make every effort to participate.

I urge you to look over the new calendar. I believe you will find it both informative and helpful. If you have a question that it doesn't answer, or if you have a suggested improvement to our program please let us know.

Thank you.

Gratefully,

Patrick R. Vecchio,
Town Supervisor

HOUSEHOLD HAZARDOUS WASTE

In 2016, over 1,150 Smithtown households participated in two (2) Household Hazardous Waste (HHW) collection events at the Town's Municipal Services Facility in Kings Park. Nearly 200,000 pounds of household hazardous waste was collected for environmentally responsible disposal.

Consider the environment before purchasing these items; seek an environmentally friendly alternative in lieu of hazardous products. Whenever possible avoid products labeled Poison, Hazardous, Danger or Caution.

The 2017 Free HHW collection events are scheduled at the Smithtown Municipal Services Facility in Kings Park on Saturday, April 29th and Saturday, October 14th, 2017 rain or shine during the hours of 7 am to 3 pm. Please visit www.smithtownny.gov or call 269-6600 or 360-7514 for additional information.

FREE LANDSCAPE MULCH

The Town of Smithtown's Municipal Services Facility (269-6600) produces bagged fine-screened mulch which is available free of charge to any interested individuals and landscapers. Mulch may be picked up at the Municipal Services Facility, 85 Old Northport Road, Kings Park, Tuesday through Saturday, 7:00 am to 11:45 am and 12:45 pm to 3:15 pm.

RECYCLING IS THE LAW, HELPS THE ENVIRONMENT AND SAVES MONEY

There are many reasons all Smithtown residents must recycle:

- Recycling is required by New York State law.
- Recycling is good for the environment.
- Recycling saves Smithtown taxpayers money.

The Town encourages proper recycling by taking these steps:

1. Ensuring that the Town's residential garbage carters collect all recyclables which have been properly placed curbside for Wednesday collection,

**BE THE SOLUTION
TO
STORMWATER POLLUTION!**

When it rains, everything on the ground seeps into our drinking water or washes into street drains that lead to our streams, ponds, the Nissequogue River and Long Island Sound

 Use Fertilizer Sparingly,
 Never Dump Anything
 Down Storm Drains,
 Vegetate Bare Spots In
 Your Lawn,
 Compost Yard Waste,
 Direct Downspouts Away
 From Paved Surfaces,

Always Pick Up After Pets,
Inspect And Pump Your
Septic Tank Regularly,
Utilize A Rain Garden Or
Rain Barrel,
Use A Car Wash Instead
Of Washing It At Home,
Have All Car Leaks Fixed.

TOWN OF SMITHTOWN DEPARTMENT OF ENVIRONMENT AND WATERWAYS
www.smithtownny.gov

MUNICIPAL SERVICES FACILITY

The Town's Municipal Services Facility at 85 Old Northport Road, Kings Park (just east of Old Commack Road) is open Tuesday through Saturday, from 7:00 am to 11:45 am and from 12:45 pm to 3:15 pm, to accept the following materials from Smithtown residents:

Yard Waste	Batteries
Construction & Demolition Debris	Motor Oil
Scrap Metal	Antifreeze
Fluorescent Light Bulbs	Paper & Cardboard
Computers & E-waste	Recyclable Plastics

Residents may also pick up mulch (up to 10 bags per visit). Please call the Municipal Services Facility at 269-6600 for further information regarding fees and services.

PROPANE TANKS / GAS CYLINDERS

Because of the danger of explosion, spent propane gas tanks should never be disposed of in normal trash or recycled. Spent barbecue tanks can be disposed of at some propane gas retailers for a nominal fee. Please call ahead to verify business hours, fee, and availability of this service.

2. Directing the Town's residential garbage carters to NOT collect refuse which contains or is intermingled with recyclables, and
3. Issuing warnings and/or summonses to households which consistently violate the recycling laws.

Before calling to schedule a bulk item pick-up, consider donating furniture, appliances, other bulk items, functional computers, and electronics (in good condition) to a not-for-profit organization in need. For a list of these organizations visit the Town's website at www.smithtownny.gov.

E-WASTE RECYCLING PROGRAM & BATTERY RECYCLING PROGRAM

NEW YORK STATE PROHIBITS THE DISPOSAL OF CONSUMER ELECTRONICS WITH YOUR HOUSEHOLD GARBAGE! The Town of Smithtown's Municipal Services Facility (269-6600) gladly accepts electronic waste (televisions, radios, computers and accessories, monitors, cell phones, etc.) for recycling at no charge to Town residents; please call for a complete list. Smithtown residents may also call Smithtown Recycling (269-4548) for curbside pickup of televisions, computers and monitors.

The Town of Smithtown's Municipal Services Facility (269-6600) also accepts automotive and many household batteries for recycling. Among batteries accepted are: all types of "button" batteries (Mercuric oxide, Silver oxide, and Zinc-air), Lithium batteries, and some rechargeable batteries (Nickel-cadmium and small sealed Lead-acid batteries).

Single-use Alkaline and Carbon-zinc batteries are essentially mercury-free. These batteries can be safely disposed in your household garbage. For more information, please see the New York State DEC's Household Battery Fact Sheet at <http://www.dec.ny.gov/>.

The following stores may also offer free electronics or battery recycling: Best Buy, Home Depot, Lowes, Sears Hardware, Target, Verizon and many more. Please verify with your local store or visit <http://www.dec.ny.gov/> for additional information.

DON'T TRASH FLUORESCENT LIGHT BULBS OR MERCURY THERMOSTATS!

Fluorescent and HID light bulbs, and certain thermostats, contain mercury and should not be disposed of in the trash. Smithtown residents can drop off such items free for recycling at the Municipal Services Facility, 85 Old Northport Road, Kings Park.

DISPOSE OF LATEX PAINT PROPERLY

Improperly discarded paint may stain roadways and contaminate groundwater. For this reason, liquid paint should never be placed curbside with your household trash. To solidify paint for collection, follow these steps:

For paint cans with a small amount of liquid residue, remove the lid and allow the paint to air dry in a safe location. For fuller paint cans, mix in sawdust or cat litter to solidify the paint. When dry, double-bag the can in clear plastic and place it curbside for collection.

Oil-based paints and stains should only be disposed of at Hazardous Waste Collection Events at the Municipal Services Facility (April 29th and October 14th 2017).

A graphic titled "Safe Meds Disposal" in large blue letters. Below the title is an illustration of various prescription medications, including two bottles (one orange, one white) and a pile of colorful pills (red, white, yellow, green, blue).

The Smithtown Department of Public Safety accepts prescription drugs for safe disposal at 65 Maple Ave. in Smithtown. The Dept. of Public Safety may be reached at 360-7553 for more information. The Suffolk County Police Dept. also accepts prescription drugs for disposal 24 hours a day, 7 days a week at the 4th Precinct, 727 Veterans Memorial Hwy. in Hauppauge. Visit www.dontflushyourdrugs.net for more information on the proper disposal of drugs.

food & beverage residue

plastic bags

foam

napkins, tissues or paper towels

wax paper or lined cardboard

plastic utensils

YARD WASTE

The Smithtown Highway Department (**360-7500**) collects leaf bags and brush from residents in the unincorporated areas of the Town. The Highway Department picks up **residential** yard waste only. Please call the Highway Department if you need information regarding their collection schedule or visit the Town's web site at www.smithtownny.gov.

The Town is not permitted to collect or accept grass clippings. Grass clippings may be mulched or left on your lawn where nutrients are released back into the soil and the need for watering is reduced. Grass clippings can also be used for home composting. Please call the Smithtown Department of Environment and Waterways (360-7514) if you would like further information about home composting.

CONSTRUCTION & DEMOLITION DEBRIS

Construction and demolition debris includes such materials as siding and roofing shingles, aluminum and vinyl siding, fiberglass insulation, decking, bricks, concrete, stone, railroad ties, treated and untreated lumber, wallboard, paneling, home furnaces, kitchen cabinets, and bathroom fixtures. Such materials cannot be disposed of with your regular trash, and are **NOT collected** by either the Town or your garbage carter. You may bring them to the Town's Municipal Services Facility at 85 Old Northport Road, Kings Park (269-6600) for a small fee or arrange for your contractor to dispose of them.

FURNITURE, APPLIANCES, AND OTHER BULK ITEMS

Furniture, appliances, and other bulk items are NOT collected with your regular trash. To schedule a special pickup of such items, residents in Districts 1 through 10 should call either their garbage carter at the telephone number listed in this calendar (carter directory on back) or Smithtown Recycling (269-4548).

TO DISPOSE OF FURNITURE AND OTHER BULK ITEMS <u>CALL YOUR GARBAGE CARTER</u> INCLUDES:	TO DISPOSE OF LARGE HOUSEHOLD APPLIANCES <u>CALL SMITHTOWN RECYCLING 269-4548</u> INCLUDES:
<div>lamps</div> <div>plate glass</div> <div>large mirrors</div> <div>water heaters</div> <div>rugs & carpets</div> <div>(cut and rolled in</div> <div>four-foot lengths)</div> <div>small electrical appliances</div> <div>doors and windows</div> <div>metal folding beds</div> <div>swing sets</div> <div>fencing</div> <div>(cut and tied in bundles</div> <div>no larger than 2'x2'x4')</div> <div>mattresses</div> <div>box springs</div> <div>cribs</div> <div>sofa beds</div> <div>wood patio furniture</div> <div>shelves</div> <div>metal bed frames</div> <div>couches</div> <div>chairs</div> <div>tables</div> <div>hutches</div> <div>dressers</div> <div>desks</div>	<div>* televisions</div> <div>* computers and monitors</div> <div>air conditioners</div> <div>washing machines</div> <div>clothes dryers</div> <div>metal exercise equipment</div> <div>metal file cabinets</div> <div>refrigerators</div> <div>ovens</div> <div>stoves</div> <div>microwave ovens</div> <div>dishwashers</div> <div>lawn mowers</div> <div>snow blowers</div>

Residents of the Incorporated Villages of Nissequogue and Head-of-the-Harbor (Districts 11 and 12) must call V. Garofalo Carting at 231-0999 to schedule special pickups for ALL of the items listed above.

* NEW YORK STATE PROHIBITS THE DISPOSAL OF CONSUMER ELECTRONICS WITH YOUR HOUSEHOLD GARBAGE. CALL SMITHTOWN RECYCLING AT 269-4548 FOR THE COLLECTION AND RECYCLING OF TELEVISIONS, COMPUTERS, AND MONITORS. ALL OTHER ELECTRONICS MAY BE DELIVERED TO THE MUNICIPAL SERVICES FACILITY LOCATED AT 85 OLD NORTHPORT ROAD IN KINGS PARK. CALL 269-4548. ADDITIONALLY, MANY ELECTRONICS MANUFACTURERS AND RETAILERS TAKE BACK ELECTRONICS FOR RECYCLING AT NO CHARGE. FOR MORE INFORMATION SEE www.dec.ny.gov/chemical/82084.html.

TRASH CANS AND RECYCLING CONTAINERS

There is no limit to the number of containers which may be placed curbside for collection. However, each container must not exceed 32 gallons in capacity and 50 pounds in weight when loaded.
